

## 1. TECHNICAL INFORMATION

### 1.1. Timetable changes

Please, refer to the timetable published at the European Athletics' and Event websites, and also at the online platform for final confirmations.

The changes occurred are mostly for the qualification rounds in the track events due to very high number of entries in those events.

On the contrary, due to several withdrawals in the Pole Vault Women, we had to cancel the Qualification round for that event on Friday AM session. There will be straight final on Saturday PM with 11 athletes (starting at 18:45).

### 1.2. Call Room Schedule

Call Room times remain as described in the team manual.

We will publish the detailed schedule day by day (e.g. the detailed schedule for Thursday 4 March is to be published by the evening on Wednesday 3 March). Please, refer to the Documents module on the online platform for the final confirmations and also to the Information Desks in the Hotels.
